6. The UNICERT logo can be used in the following shapes, colors, dimension (proportionally) and on white background:

- 7.** The UNICERT logo can be used by the approval of The Certification Manager about the shape of the logo to be used.
- 8.** The certificated organizations by UNICERT can use the TGA/DAR Accreditation Brand on stationery, advertisement, introduction and similar supplies if the certificate is within the context of accreditation. TGA/DAR Accreditation Brand can not be used alone without UNICERT logo.
- 9.** The term of "Introductory Materials" encloses attached notes, labels, documents or written communications on the products and materials excluding products and materials that are produced under the accreditate product certification activity. This limitation is also valid for packaging and promotion materials.
- 10.** TGA/DAR Accreditation Brand can not be used on vehicles.
- 11.** TGA/DAR Accreditation Brand can not be used on buildings and flags.
- 12.** The UNICERT logo will be send to the related organization on "CD"s, on request. Besides, the UNICERT logo is accessible via the web site of UNICERT .
- 13.** The certificated organizations can only use the UNICERT logo in their activities included in the scope of the certificate. The UNICERT logo can not be used as product certificate or in the activities those are not included in the scope of the certificate.
- 14.** The organization should stop using the logo in case of a termination, suspension or cancellation of the certification agreement.
- 15.** The certificated organizations, starting from the granting of the certificate, are liable to obey the conditions of this instruction, as long as the certificate is valid. Legal actions are taken if any usage of logo is determined to be contradicting with this instruction.
- 16.** The certificates of the organizations that do not fulfill the requirements of this instruction are suspended or cancelled.
